U.S.A. Woman Champion's Wimbledon Defeat

MISS ALICE MARBLE PUT OUT BY POLISH CHAMPION

Mlle Jedrzejowska Smashes American's Resistence in 1st Set: 14,000 Watch Austin's Marathon Match

DOROTHY ROUND THROUGH TO FINAL

London, July 1.

TO-DAY'S centre court sensation was the conquest of the American champion, Miss Alice Marble, by the famous Polish player, Mlle J. Jedrzejowska, who won fairly comfortably by 8-6, 6-2 in the first of the semi-finals for the women's championship. The second semi-final saw Miss Dorothy Round (Great Britain) safely through to the final at the expense of Mme. Mathieu, the celebrated French player. The English girl won with astonishing ease, 6-4, 6-0.

Despite dull and windy weather, a crowd of 14,000 people crammed the Centre Court here yesterday to see Baron Gottfried von Cramm and Donald Budge, respectively the German and American number one ranking players, qualify for the final of the men's singles championship.

Von Cramm eliminated the last Briton, H. W. Austin, by 8-6, 6-3, 12-14, 6-1, while Budge took the measure of his compatriot Frankie Parker, by 2-6, 6-4, 6-4, 6-1.

Austin made a valiant effort to reach the final before succumbing. The match lasted 2 hr. 20 min. It was a clash between two brilliant stylists, but Austin was always fighting to save points.

Gruelling Third Set

In the third set Austin led by three games to love, but the German overtook him to lead 4-3 and again 5-3. Von Cramm was not so accurate with his backhand returns, but he was in front by 7-6. Then Austin, in a spurt, took the next two games to lead by 8-7. He had two set points at 10-9 and 12-11, but failed to make good.

The Briton had shot his bolt in winning the set, and took only the fifth game in the fourth.

Although defeated, Frankie Parker had the distinction of being the first player to take a set from Budge in the tournament.

Following his unexpected win in the first set, Parker led 2-1 and 3-2 in the second, but Budge pulled himself together to take command.

U.S. Mixed Doubles Success

Budge also qualified for the semi-finals of the mixed doubles. Partnered by Miss Alice Marble, the American national champion, he defeated C.D.R. Tuckey and Miss Peggy Scriven (Britain) by 6-2, 6-2.

Petra and Madame Mathieu (France) also entered the last four, defeating Borotra and Mlle. Boegner 6-1, 8-6.

In the men's doubles, Hecht and Roderick Menzel, the Czechoslovakian Davis Cup pair, reached the semi-finals at the expense of Jamain and Metaxa by 6-3, 6-4, 6-2.

Prince and Princess Chichibu and the Japanese Ambassador, Mr. S. Yoshida, were among those who saw Yamagishi (Japan) and Miss Betty Nuthall (Britain) take the measure of Wilde and Miss Whitmarsh, a seeded pair, by 6-3, 6-4 in a surprise win.

The Japanese played a devastating game, serving aces and storming the net and smashing out of court.

Miss Nuthall assisted nobly, volleying well.

Another upset occurred in the third round of the women's doubles, when Miss Andrus (America) and Mlle. Henrotin (France) beat the seeded couple, Miss Helen Jacobs (America) and Mrs. Svend Sperling (Denmark) by 7-5, 6-8, 6-2.—Reuter.

To-day's Semi-Finals

Wimbledon, July 1.

The matches were played in dull, windy weather. Mlle. Jedrzejowska thoroughly deserved her win over Miss Marble. Her heavily cut back-hand forced the American to make errors.

In the first set Miss Marble was at match-point at 5-3, but Mlle. Jedrzejowsky returned everything presented, met her opponent's famous dashes, and took the game, and eventually the set. She won the next set with ease.

The match between Miss Dorothy Round and Mme. Mathieu was mainly a base-line duel, the English girl's placing and volley being better. Mme. Mathieu led by 3-2 in the first set, then Miss Round turned the tables to 4-3 and finally won, 6-4.

In the second Miss Round was brilliant, and left the Frenchwoman standing to win 6-0.—Reuter.

BRITONS IN TYRO POLO FINAL

Loyals Lose 5-1: Klaxons and Ewo Victorious

A RUNAWAY PONY TAKES HUGHES IN PAVILION

By "The Squire"

Three polo matches were played yesterday afternoon at the Race Course. The first match between the Britons (Johnston, Ford, Alexander and Skyrme) and the Loyals (Beattie, Birley, Lechallas and Cora) ended in the elimination of the Loyals and the entrance of the Britons in the finals. The Britons conceded one goal handicap and beat the Loyals by five goals to one.

The first chukker was scoreless but thrilling, as the players were doing unusually well. Ford scored twice for the Britons in the second chukker. The third chukker was again scoreless but Skyrme and Alexander scored in the fourth and the Britons were very lucky to have Cora score for them through an error.

Pony Leaps Into Pavilion

In the second match of the day Klaxons (Moller, Harris, Painter and Culbertson) conceded eight goals to the Thrusters (Lewis, White, Hughes and Taylor) and beat them by ten goals to nine. In the first chukker Hughes' pony, galloping along, swerved off the field, hurdled the fence, and landed in the pavilion amongst bewildered spectators. Hughes was unseated.

Painter and Culbertson scored for the winners in the first chukker after keeping the ball in the opponents' part of the field the better part of the chukker. Three more goals were score by the Klaxons in the second chukker, first Moller scoring in the early stages of the chukker then Painter, who again scored a few minutes later, and whilst Culbertson was off the ground changing ponies Lewis scored. But the Klaxons pressed again and Moller scored, and from an exciting scrimmage Painter slammed the ball in.

Interest heightened in the fourth chukker after Painter and Culbertson had scored and tied the score at nine all. After a few minutes Painter settled the question scoring again.

Thrilling Final Game

A very interesting and thrilling game was the one between Ewo (Gordon, Lutey, J. Keswick and Newbigging) and the Caterpillers (Rennie, Franklin, Douglas and Krikoiantz). The Caterpillers received one goal handicap and put up an amazingly strong resistance but were eventually the losers. This was probably the fastest match of the day.

The match opened with both sides going full out and some very fast play was seen. Lutey scored for Ewo. The Caterpillers opened strongly in the scond chukker and Franklin scored but Ewo soon pressed and Lutey scored again. Gordon passed cleverly to Keswick whose shot at goal was blocked by a pony but he scored soon after.

Krikoriantz tied the score at three all in the third chukker but Lutey also scored and put Ewo in the lead by one goal which they maintained till the end of the match.

The last chukker was scoreless.

CRICKET CLUB AND S.V.C. WIN BANK HOLIDAY CRICKET

Pote-Hunt, 124, Aids Club Conquest of Recs: Sinclair Shines in Defeat of Loyals

THE Bank Holiday yesterday provided the occasion for a cricket match between the Second Battalion, The Loyal Regiment and the Shanghai Volunteer Corps, the latter winning easily by six wickets, but continuing their knock to take full advantage of the fine weather and completing their innings just on the time agreed upon for the drawing of stumps. In the other game the Cricket Club beat the S.R.C. by 47 runs.

The Loyals won the toss and elected to bat first, their innings of two and a half hours being productive of a total of 147 runs. After tiffin, the Volunteers went in and thanks to a fine stand between J. B. H. Leckie and A. C. Sinclair, passed their opponents' score with six wickets in hand. The side played on and put 207 runs on the board.

Outstanding in the day's batting performances was a grand knock by A. C. Sinclair who has repeatedly shown good form this year. His 81 runs were all earned, he gave no chances and hit out at the loose balls, but treated the good ones with respect. Especially was this noticeable when he had reached thirty, for eight overs were bowled at him before he added to this score, and prior to that he had been scoring fairly rapidly. Once this danger point had been passed, he hit out strongly again and his score was compiled in a stand of slightly over an hour and a half at the wicket.

Partnering Sinclair in this match winning stand was J. B. H. Leckie, the two putting on 84 runs in 40 minutes, with the latter opening his shoulders to the bowling more often. After the match had been won, the remaining batsmen in the side had a merry knock, Burford hitting out to get 28.

For the Loyals, Cpl. Freeman and L/Cpl. Clancy gave a good performance, the two having a partnership which was productive of 53 runs. Both were very cautious in the earlier part of the innings and runs came very slowly but later, Clancy hit out and his 60 runs were well earned, Freeman's 20 being likewise commendable. The Loyals were very unlucky to lose their first two batsmen—both regarded as among their best—by being caught out by one of their own men who substituted for T. W. R. Wilson as the latter was ill and unable to play. The substitute brought off the two best catches of the day in slips to dismiss Lt. Cole and Sgt. Paque. The Army team opened their innings on a pitch that was still slightly on the moist side not having completely dried out from the rain earlier in the week, this surface moisture disappearing as the day went on and the Volunteers were able to have slightly better conditions.

Some Good Catches

Leach and Leckie each held good catches, off their own bowling. Leach's was a half volley directed straight at his head and Leckie's went well above his head. Carey fielding in the gully caught out Freeman to break up the Loyals' best partnership, and Sinclair as wicket keeper held a ball off Bolton's bat.

Leach was the most successful of the Volunteer's bowlers, taking 4 for 33, while Meston was getting considerable pace on his bowling with the wind behind him. The Loyals tried out nine bowlers, the most successful of whom were Catlin and Cronin, who were difficult to score off. Lt. Cole, putting himself on late in the innings, got two cheap wickets for four runs in one over, but thereafter was tonked merrily by Burford and had his average badly spoilt. Scores:—

COSTLY SPORTSMANSHIP IN CLUB v. RECS

Thanks to a fine century by J. W. Pote-Hunt who retired after scoring 124 runs a Cricket Club XI were able to defeat an S.R.C. side yesterday by 47 runs, but victory only came by the narrowest of margins, and also through the sporting action of S. F. Shroff who agreed to two extra overs being bowled after the time limit for the match had been passed. It had been agreed to draw stumps at 4 o'clock, and at this hour the Recs had played out the draw. A consultation between the two captains took place and two extra overs were agreed upon. In the last ball of the first of these overs, the eleventh man of the Recs' side was run out and the match won and lost.

Hurricane Hundred

Jack Pote-Hunt's century was gained by some hard hitting. He collected five sixes and fourteen fours. He had three lives, being dropped by Johnston at mid on when he had scored four. He was missed again at 35, and Lawrence in the deep dropped him at 83. N. Hart-Baker also put up a good performance for the Club, scoring 52, of which one six and five fours were included.

For the Recs, S. F. Shroff played a captain's innings, and carried his bat for a patient 45. In contrast, L. C. Kew, one of the more promising younger players, hit out with a will and got his half century which included eight fours, in very quick time. Scores:—

CERCLE SPORTIF'S TENNIS SUCCESS

Drop First Set of Season Against J.A.C.

BIG SWISS CLUB LEAD IN JUNIOR DIVISION

Dropping their first set yesterday since the commencement this season of the Women's First Division Tennis League Series the Cercle Sportif Francais "A" squad accumulated a total of 26 points out of a possible 27 by trouncing the Junior Athletic Club players by eight sets to one. The winners have only one more obstacle to clear in the Country Club, who yesterday closed in on the leaders by smashing their way through a convincing 9-0 victory over the Columbia Country Club, and thus boosting their score to 21.

The Country Club team will have to be in amazing form to make up the difference when they meet their powerful rivals, but from present indications the tussle should be fairly even, with the French Club side favoured to win the senior division championship.

Although expected to win, the Swiss Club quite outdid themselves by whipping the Catholic Club team 8-1, thus taking a commanding lead in the junior division. The Cathedral Tennis Club were also in great

form yesterday accumulating nine points to place second in the second league standings. The Country Club trounced the Girls' Friendly Society eight sets to one, and the Deutscher Tennis Klub defeated Bramtoco 6-3, to tie for the third position, only one point behind the Cathedral.

There was a good deal of excitement at the A.S.P. courts where the "A" and "B" sides fought for supremacy, the former allowing their "B" team only one set in nine. Mrs. G. Sequeira and Miss M. Costa managed to capture the last set from their opponents to save their side from a "duck" and were cheered enthusiastically for their accomplishment. Scores:—

ROYAL REGATTA AT HENLEY BEGINS

Oxford Eight Beaten by a Cambridge Crew

Special to the "N.C.D.N."

London, June 30.

The Henley Royal Regatta opened to-day in dull weather, the rowers meeting a headwind down the course. Four out of the eight foreign scullers were eliminated from the Diamond Sculls. The only American entry, Bates, hit a boom and almost fell from his boat. He was beaten by Pinches, of London.

R. C. Hasenorhl, of Austria, who was second at the Olympic Games, easily beat de Mille, the Canadian sculler who is at present at Reading University.

Rowing generally was dull, but a surprise came when the Oxford eight, stroked by Hodgson, the University stroke, were beaten in the Ladies' Plate by Corpus Christi, Cambridge.—Reuter.
